

PUBLIC NOTICE

RCRA

THE KANSAS DEPARTMENT OF HEALTH AND ENVIRONMENT (KDHE), FORBES FIELD, TOPEKA, KANSAS 66620, IS TODAY PROVIDING PUBLIC NOTICE THAT THEY MAY MODIFY THE HAZARDOUS WASTE STORAGE PERMIT ISSUED TO OLIN WATER SERVICES- OLIN CORPORATION, 3155 FIBERGLASS ROAD, KANSAS CITY, KANSAS. THE MODIFICATIONS WOULD ALLOW OLIN WATER SERVICES TO STORE DRUMS BY A LINEAR HEIGHT LIMITATION RATHER THAN A NUMBER OF STACKED PALLETS LIMITATION AND TO CONDUCT SOME INSPECTIONS LESS FREQUENTLY.

Olin Water Services was originally issued a hazardous waste facility permit in 1985. On October 17, 1985, KDHE received final authorization from EPA to implement the state's hazardous waste management program in lieu of the federal program. The state's final authorization included all portions of the Resource Conservation and Recovery Act (RCRA), except those covered by the Hazardous and Solid Waste Amendments of 1984 (HSWA). The permit modifications Olin Water Services has requested are not covered by HSWA. Thus, KDHE is solely authorized to modify the original KDHE permit.

Copies of the administrative record, which include the draft modified permit, the modified permit application, and all information submitted by Olin Water Services, are available for public review starting December 18, 1987 at the EPA Region VII Headquarters, 726 Minnesota Avenue, Kansas City, Kansas from 7:30 a.m. to 4:30 p.m., weekdays; and the KDHE, Building 730, Forbes Field, Topeka, Kansas, and the KDHE District Office, 808 West 24th Street, Lawrence, Kansas, from 8:00 a.m. to 4:30 p.m., weekdays.

RECEIVED

DEC 17 1987

RCRA Records Center

USEPA, RCRA Branch

Comments on the proposed permit modifications may be directed in writing to Mr. John Paul Goetz, Hazardous Waste Section, KDHE, Topeka, Kansas 66620. Comments must be submitted in writing prior to February 1, 1988. Requests for additional information, including the fact sheet, may be made by telephone by contacting KDHE at (913) 296-1607.

A public hearing has not been scheduled; however, if requests are received which indicate a significant degree of public interest in this draft permit, a public hearing will be scheduled. Requests for a public hearing shall be in writing to the address listed for submittal of comments and shall state the nature of issues proposed to be raised at the hearing. Such requests shall be submitted prior to January 19, 1988.

After consideration of all comments received and of the requirements of RCRA and state statutes, KDHE will make a final permit decision. If the decision is made to issue the modified permit which is substantially unchanged from the draft made available for public comments as announced by this notice, the KDHE Secretary will notify all persons submitting comments or requesting notice of final decision. If the draft modified permit is substantially changed, the KDHE Secretary will jointly issue a public notice indicating the revised decisions.
